presents:

La Cucarachita Martina

A bilingual children's play by Carlos-Manuel

Saturday, August 5th
10:00 AM
Strassweg Auditorium

Teatro Tercera Llamada presents a bilingual play based on La Cucarachita Martina, a Latino folktale. Martina, the little cockroach, finds a coin and decides to use it to buy make-up to make herself beautiful. She makes herself look beautiful and attracts many suitors, but discovers that having beauty doesn't mean she is loved for who and what she is.
